(2) in the party order established by subsection (g); and

(3) within the political party, in alphabetical order according to surname.

(n) A public question must be in the form described in IC 3-11-2-15(a) and IC 3-11-2-15(b), except that a touch sensitive point or button must be used instead of a square. 40 **election year.**

41 **Sec. 2. The analysis required by section 1 of this chapter must**
42 **contain the following information:**

C
o
p
y

- (1) The number of provisional ballots cast by county.
- (2) The reasons that provisional ballots were cast. The analysis may group the reasons for casting provisional ballots by category.

- (4) Whether the procedural requirements of the provisional ballot system permit a cost efficient, accurate, and timely operation.
- (5) Whether the variation in the use of provisional ballots throughout Indiana is great enough to raise concern that the provisional ballot system is not administered uniformly across Indiana.

Sec. 4. The county election board of each county shall collect and send to the secretary of state any information about the use of provisional ballots in the county as required by the secretary of state.

SECTION 75. IC 3-12-1-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. Subject to sections 5, 6, 8, 9, **and 9.5** ~~and 13~~ of this chapter, the primary factor to be considered in determining a voter's choice on a ballot is the intent of the voter. If the voter's intent can be determined on the ballot or on part of the ballot, the vote shall be counted for the affected candidate or candidates or on the public question. However, if it is impossible to determine a voter's choice of candidates on a part of a ballot or vote on

a public question, then the voter's vote concerning those candidates or public questions may not be counted.

SECTION 76. IC 3-12-1-7, AS AMENDED BY P.L.164-2006, SECTION 124, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) This subsection applies whenever a voter:

- (1) votes a straight party ticket; and
- (2) votes only for one (1) or more individual candidates who are all of the same political party as the straight ticket vote.

The straight ticket vote shall be counted and the individual candidate votes may not be counted.

(b) This subsection applies whenever:

- (1) a voter has voted a straight party ticket for the candidates of one (1) political party;
- (2) only one (1) person may be elected to an office; and
- (3) the voter has voted for one (1) individual candidate for the office described in subdivision (2) who is:

(A) a candidate of a political party other than the party for which the voter voted a straight ticket; or

(B) an independent candidate for the office.

If the voter has voted for one (1) individual candidate for the office described in subdivision (2), the individual candidate vote for that office shall be counted, the straight party ticket vote for that office may not be counted, and the straight party ticket votes for other offices on the ballot shall be counted.

(c) This subsection applies whenever:

- (1) a voter has voted a straight party ticket for the candidates of one (1) political party; and
- (2) the voter has voted for more individual candidates for the office than the number of persons to be elected to that office.

The individual candidate votes for that office may not be counted, the straight party ticket vote for that office may not be counted, and the straight party ticket votes for other offices on the ballot shall be counted.

(d) This subsection applies whenever:

- (1) a voter has voted a straight party ticket for the candidates of one (1) political party;
- (2) more than one (1) person may be elected to an office; and

- 4 (B).

5 The individual votes cast by the voter for the office for the independent
 6 candidates and the candidates of a political party other than the
 7 political party for which the voter cast a straight party ticket shall be
 8 counted. The straight party ticket vote cast by that voter for that office
 9 shall be counted unless the total number of votes cast for the office by
 10 the voter, when adding the voter's votes for the individual candidates
 11 for the office and the voter's straight party ticket votes for the office, is
 12 greater than the number of persons to be elected to the office. If the
 13 total number of votes cast for the office is greater than the number of
 14 persons to be elected to the office, the straight party ticket votes for the
 15 office may not be counted. The straight party ticket votes for other
 16 offices on the voter's ballot shall be counted.

28 The individual votes cast by the voter for the office for the independent
 29 candidates and the candidates of a political party other than the
 30 political party for which the voter cast a straight party ticket shall be
 31 counted. The individual votes cast by the voter for the office for the
 32 candidates of the same political party for which the voter cast a straight
 33 party ticket may not be counted **unless the straight party ticket vote**
 34 **is not counted.** The straight party ticket vote cast by that voter for that
 35 office shall be counted unless the total number of votes cast for the
 36 office by the voter, when adding the voter's votes for the individual
 37 candidates for the office and the voter's straight party ticket vote for the
 38 office is greater than the number of persons to be elected to the office.
 39 If the total number of votes cast for the office is greater than the
 40 number of persons to be elected to the office, the straight party ticket
 41 votes for that office may not be counted. The straight party ticket votes
 42 for other offices on the voter's ballot shall be counted.

C

(g) If a voter does not vote a straight party ticket and the number of votes cast by that voter for the candidates for an office are less than or equal to the number of openings for that office, the individual candidates votes shall be counted.

(h) If a voter does not vote a straight party ticket and the number of votes cast by that voter for an office exceeds the number of openings for that office, none of the votes concerning that office may be counted.

The individual votes cast by the voter for the office for the independent candidates and the candidates of a political party other than the political party for which the voter cast a straight party ticket shall be counted. If the total number of votes cast for the office is greater than the number of persons to be elected to the office, the straight party ticket votes for the office may not be counted. The straight party ticket votes for other offices on the voter's ballot shall be counted.

The individual votes cast by the voter for the office for the candidates of the same political party for which the voter cast a straight party ticket may not be counted **unless the straight party ticket vote is not counted**. The straight party ticket vote cast by that voter for that office shall be counted unless the total number of votes cast for the office by the voter, when adding the voter's votes for the individual candidates for the office and the voter's straight party ticket vote for the office is greater than the number of persons to be elected to the office. If the total number of votes cast for the office is greater than the number of persons to be elected to the office, the straight party ticket votes for that office may not be counted. The straight party ticket votes for other offices on the voter's ballot shall be counted.

(f) If a voter votes a straight party ticket for more than one (1) political party, the whole ballot is void with regard to all candidates
